<p>October 15 – 16, 2011            Jacobsburg            Environmental            Education Center State            Park, and Green Lane</p>	<p>Ride hosts: Keith and Janine Hahn 610-390-5808 <a href="mailto:jmhahn@ptd.net">jmhahn@ptd.net</a> <b>Please RSVP if attending.</b>            RTR: 10:00 a.m. both days            Jacobsburg Park (approximately a 4 hr ride). Bring a bagged lunch. (There is a creek at Jacobsburg for the horses to drink from, but bring water in case the creek is dried up). Then trailer to Green Lane Equestrian Campground (approx 1hr. travel time). Share a covered dish dinner and a campfire Saturday night and ride Green Lane on Sunday. Bring your own food for breakfast and lunch on Sunday, unless there are leftovers to share.            Jacobsburg is a beautiful park, but the trails are multiuse. There are bikes, baby strollers, walkers, joggers, and dogs. Most people are used to the horses here, and give us the right of way..Jacobsburg Park is located in WindGap, PA.</p> <p>Camping: Reservations required at Green Lane.            If camping at Green Lane Equestrian Campground, you will need to call ahead to make reservations - 215-234-4528. There are only 10 pull in sites at the campground, however, I'm almost sure that we can double park trailers in these sites, I will check with them....the campsites are \$30 per night, cash only. Camping here is primitive. No electric, no bathhouse. There is a port-o-potty. There is water for the horses, along with x2 tie stalls at each campsite, and there are 24 additional tie stalls on the premises. You can use portable corrals, but no high lining to trees. There is another campground down the street that is also part of Green Lane that has a bathhouse and we can use this, but you will need to drive there, it is too far to walk.            Directions: To Jacobsburg Park (From Allentown PA) Take 22 East to 33 North to Belfast Rd. (the equestrian parking lot is on Belfast Rd.)</p>
